

## CASE PROFILE

### SIX FIGURE INSURANCE CLAIM RECOVERY FOR DRAIN LINE DAMAGE TO MIAMI, FLORIDA HOMEOWNER

The homeowner suffered property damage to her Miami Springs home as a result of a plumbing break in a drain line in 2010.

She reported the claim to her insurance company. The insurance company inspected the home and sent the homeowner a claims payment for a little over \$1,000.

We were not retained until March, 2013. Prior to our representation, our client had filed a lawsuit over the claim with another lawyer. She also had consultants and a public adjuster represent her in the claim. The client retained our services after she had a falling out with her lawyer and public adjuster over, among other things, the

value of the claim. The public adjuster had prepared an estimate of damages for approximately \$37,000.

We retained our own expert on damages and conducted depositions and discovery. One week prior to the commencement of trial and less than one year after being retained in the case, we were able to secure a six figure settlement for our client.

### NOTEWORTHY MARCH DATES

#### St. Patrick's Day

St. Patrick's Day is celebrated annually on March 17 which is the date of the death of the patron saint of Ireland. The wearing and display of shamrocks and shamrock-inspired designs has become a feature of the day. Saint

Patrick's Day, while not a legal holiday in most of the United States, is still widely acknowledged and celebrated throughout the country. The day is recognized as a celebration of Irish and Irish American culture. Celebrations include prominent displays of the color green, eating and drinking, and numerous parades. Enjoy the green beer and be safe!

#### Mardi Gras

Mardi Gras refers to the celebrations starting on or after Kings day and culminating on the day before Ash Wednesday. Mardi Gras is French for "Fat Tuesday," encompassing the tradition of the last night of eating richer, fatty foods before the practice of fasting for Lent. While not a national holiday in the United States, certain historically ethnic French cities and regions in the United States have notable celebrations. Probably the best known celebration is the annual Mardi Gras parade in New Orleans, although festivities are held throughout the world. Who dat!
